Instructions

To the purchaser

This form is to be used by:

- a nonresident of New York State to claim an exemption from both the state and local sales tax applicable to the purchase of a motor vehicle, trailer, or vessel, provided that the conditions set forth in box 1 are satisfied, and the purchaser supplies the vendor with a properly completed copy of this certificate prior to taking delivery; or
- a resident of New York State to claim an exemption from the local sales tax imposed in the taxing jurisdiction where the sale takes place applicable to the purchase of a motor vehicle, trailer, or vessel, provided that the conditions set forth in box 2 are satisfied, and the purchaser supplies the vendor with a properly completed copy of this certificate prior to taking delivery.
 Note: The seller must collect sales tax at the combined state and local rate in effect in the taxing jurisdiction where the purchaser resides.

For sales and use tax purposes, an individual is a resident of the state and of any locality in which he or she maintains a permanent place of abode. A *permanent place of abode* is a dwelling place maintained by a person, or by another for that person to use, whether or not owned by such person, on other than a temporary or transient basis. The dwelling may be a home, apartment, or flat; a room, including a room at a hotel, motel, boarding house, or club; a room at a residence hall operated by an educational, charitable, or other institution; housing provided by the armed forces of the United States, whether such housing is located on or off a military base or reservation; or a trailer, mobile home, houseboat, or any other premises. This includes second homes.

Box 1 — By marking box 1, the purchaser is claiming an exemption from both the state and local sales taxes.

Box 2 — By marking box 2, the purchaser is claiming an exemption from the local tax imposed by the taxing jurisdiction where the sale takes place. In this case, the seller must collect sales tax based on the combined state and local tax rate in effect where the purchaser resides. If the purchaser is an **individual**, the applicable rate is the combined state and local rate in effect in the taxing jurisdiction where the purchaser has a permanent place of abode. If the purchaser is a **business**, the applicable rate is the combined state and local rate in effect in the taxing jurisdiction where the property will be principally garaged.

If marking box 2, the purchaser must enter the purchaser's New York State local address, including the number and street, the city, town, or village, and the county where the purchaser actually resides. The city, town, or village where the purchaser actually resides may be different than the city, town, or village indicated in the purchaser's mailing address, which is based on the Post Office servicing the residence and not on the actual physical location of the residence. If the purchaser has more than one place of abode in New York, the purchaser must enter the address and county for the residence where the property purchased will be predominantly used. Businesses must provide the address in the taxing jurisdiction where the property will be principally garaged.

To the seller

By marking box 1, the purchaser is claiming an exemption from both the state and local sales taxes. If the purchaser is purchasing a trailer or vessel, the seller must write *Exempt: out-of-state purchaser* on the bill of sale. If the purchaser is purchasing a motor vehicle, the seller must write *Exempt: out-of-state purchaser* on Form MV-50, *Retail Certificate of Sale*, as explained in TSB-M-95(2)S, *Sales of Motor Vehicles to Nonresidents and Motor Vehicle Registration by Nonresidents*.

If box 2 is marked, use the number and street, city, town, or village, and county information provided by the purchaser, along with Publication 718, *New York State Sales and Use Tax Rates by Jurisdiction*, to determine the appropriate state and local tax rate for the purchaser's jurisdiction of residence.

ZIP codes, including the ZIP code indicated on a purchaser's driver license, should not be used to determine the appropriate sales tax rate. The use of ZIP codes for tax collection purposes results in a high degree of inaccurate tax reporting.

A registered vendor that, prior to the purchaser's taking delivery of the motor vehicle, trailer, or vessel, accepts in good faith a properly completed Form DTF-820 with: (1) box 1 marked will be protected from sales tax liability for the transaction; or (2) box 2 marked will be protected from liability for failure to collect tax at the rate in effect where the sale takes place. If box 2 is marked, the vendor must collect tax at the combined rate in effect where the purchaser indicates the purchaser is a resident, as described above. The certificate is complete if all required entries are made. A certificate is accepted in good faith when a seller, exercising reasonable and ordinary due care, has no knowledge that the certificate is false or is fraudulently presented.

This certificate will **not** be deemed to be accepted in good faith where, for example:

- The purchaser marks box 1 and enters a New York State address in any of the address boxes appearing on the certificate
- The purchaser marks box 1 and the seller does a courtesy registration for the purchaser with the New York State Department of Motor Vehicles (DMV) or a county clerk.
- The purchaser marks box 2 and the seller has knowledge that the purchaser maintains a permanent place of abode in the local taxing jurisdiction where the sale occurs.

You must keep this certificate for at least three years after the due date of the return to which it relates, or the date the return was filed, if later. You must also maintain a method of associating an invoice (or other source document) for an exempt sale made to a customer with the certificate you have on file from that customer.

Misuse of this certificate

Any person who issues a false or fraudulent certificate may be liable for penalties and interest in addition to the tax initially due. Some penalties that apply are:

- 100% of the tax due
- \$50 for each fraudulent certificate issued
- a misdemeanor penalty (consisting of fines not to exceed \$10,000 for an individual or \$20,000 for a corporation)
- revocation of your Certificate of Authority, if you are required to be registered as a vendor
